

Graphic Arts Internship

“Next Gen” Intern in Natural Resources – Writing and/or Graphic Arts skills

Part-time, fall semester. Salary: \$16.13/hr. (before taxes)

Deadline for applications: August 15, 2015

Please send resume, 2-3 references, and provide examples or links of graphic art skills and/or writing sample work to Don Swann, Don_Swann@nps.gov

Job Description:

This intern will work closely with Resource Management staff to support water conservation research and education at the park. He or she will assist park employees on gathering and summarizing scientific information on water and aquatic biology at the park. The internship will be adjusted to fit the skills and interests of the intern and could include duties such as field work, data organization, and a variety of office tasks.

The ideal candidate will have an interest in natural resources and a proven track record as a productive writer and/or graphic artist. She or he will interpret scientific information in a manner appropriate for the general public through a combination of reports, brochures, web site content, social media, videos, and/or other venues.
